

Join us for a visual feast as performance artists JoJo Baby and Sal-E transform themselves into living art, becoming inspired conceptual characters, executed with expert skill using original make-up and costumes.

Photographer Bernard Colbert has captured, in stunning portraits, an entire years worth of these delightful transformations.

The book is offered as a signed (by all 3 artists) and numbered, limited editions- available in either a hardcover 12 x 12 inch, or a soft cover 7 x 7 inch.

The 120 page book contains 100 unique color photographs,
52 of which are available for exhibition and for sale in signed numbered, limited editions prints.

The body of work was featured in the Clive Barker documentary titled 'JoJo Baby'.
